Cronin's Friends Pass Some Resolution and the Anti-Cronin Faction Makes a Statement.

CHELTENHAM BEACH, Chicago, Aug. 15.
The friends of the late Dr. Cronin held a section of the annual Clan-na-Gael picnic here to-day with a large crowd present. The amusements consisted of athletic games, which were followed in the afternoon and evening by speeches by Congressman Foran, of Cleveland, Hon. M. J. Ryan, of Philadelphia. Congressman Lawler of Chicago. John Devoy, of New York, Thomas Pruitt, of Detroit, and others. A long statement accompanying a preamble and resolutions was read and adopted. It recognizes fealty to this nation as the first and highest obligation, and next thereafter the pledge to support the cause of Irish liberty, to be secured under the leadership of Parnell and Gladstone. The statement then reads:

The platform closes thus: "We oppose high taxes, the corrupt and extra vagant expenditure of public revenues, the unjust and oppressive treatment of the people of the southern states, the creation of trusts, the promoters of monopoolies.
